Two CENTS

DR. LAWRENCE WILL SPEAK AT BIBLE CONFERENCE TONIGHT

Great Texas Orator Speaks at Bible Conference This Evening—Great Audiences Are Attending Each Service.

At all of the services of the Christian Fundamentals Conference being held by the local churches, there are great congregations. Dr. W. B. Riley, of Minneapolis, Minn., addressed large audiences Thursday morning, afternoon and evening and all three addresses were masterpieces that will be long remembered by those in his audiences.

On Friday the day services are held at the Church of the Nativity and at night again in First Baptist church. Dr. J. W. Lawrence, of Dallas, Texas, recognized as the one outstanding minister in the Congregationalist denomination, will speak Friday evening bringing another great address on one of the fundamentals of the Christian religion. Everyone should take advantage of hearing this great man.

On Monday Dr. W. B. Riley will return to Mayville to give his famous address on "The Characteristics of the End of the Age." This is a lecture such as hundreds would pay a large admission fee to hear and it is offered to the people of Mayville absolutely free.

There is now a possibility of continuing the Bible Conference into next week, so much interest has been displayed. Definite announcement will be made on Sunday as to whether the conference will be continued and who the speakers for next week will be in case the meeting is continued through the week.

REDMEN'S HOME TALENT SHOW PROVES SUCCESSFUL

Presentation of "The Microbes of Love" By Cast of Local Characters Thursday Rated as Success.

The presentation of the home talent musical comedy "The Microbes of Love" by a cast of local men and women, boys and girls, under the auspices of the local lodge of Red Men at the Washington Theater on Thursday evening proved to be even a greater success than those who were managing the affair had even hoped for.

The story was a pleasing little comedy in which old maids and bachelors furnished the amusement. The songs of the choruses were pleasing and catchy and will be long remembered by those who heard them.

The attendance was not what it should have been but was very creditable and the Red Men are very well pleased and under great obligations to those who loaned their talent to help make the show a success.

LOCAL MASONS HONORED AT GRAND LODGE MEETING.

At the annual meeting of the Grand Chapter Royal Arch Masons held at Louisville this week, Mr. A. G. Sulser, of this city, was elected Grand King, being moved up from the office of Grand Scribe. Mr. Edward M. Smith was named a member of one of the important committees. Mr. C. P. Rasp was named a member of a very important committee in the Grand Lodge of Masons which also met in Louisville this week.

Read their big advertisement carefully as they are offering some very wonderful bargains for the opening day.

REOS WANT GAME.

The sporting editor of the Lexington Herald, in a letter to Mr. John Fansler, of the Mayville ball club, asks that the Reo team be given a game with the Mayville club. This will be impossible as the local team has been disbanded for the season.

BROWN COUNTIAN KILLS HIS BROTHER INSTANTLY WITH GUN

Gullerman Says He Killed His Brother to Put Him Out of His Misery—Admits He Was Drunk.

Georgetown, Ohio. — When John Ballinger reached the sitting room of Lee Gullerman's home at Sardula, Saturday morning, he found Wesley Gullerman sitting on a chair, a 22-caliber pistol lying upon the window sill, and Lee Gullerman stretched prostrate upon the floor. Hurriedly he asked Wesley Gullerman what had taken place. In substance Wesley Gullerman stated that Lee had been in trouble and he put him out of his misery.

Shortly before Wesley Gullerman had entered the side door of his brother's home, which is upon the street which leads to Mowrytown, the fourth house upon the right after leaving Main street. He was cursing and muttering. Mrs. Lee Gullerman taking notice of the condition of Wesley Gullerman, ran from the house as did their daughter, Beatrice. This left the two brothers in the house alone. What actually took place will never be known, as closest questioning of Wesley Gullerman, who admits he was drunk, fails to bring out that he had recollection of what was occurring, other than when the pistol exploded he realized that fact.

Later examination reveals that there were two shots fired. One shot punctured the main artery at the top of Lee Gullerman's heart, and when Dr. Chaney arrived in a short time after he pronounced the gun user's victim dead. The other shot had punctured a window blind and window pane in the room. The gun user had pointed the pistol downward to shoot his brother, and the other shot had caused him to point upward. He does not know which shot was fired first, nor what happened.

When Ballinger received the reply from Wesley Gullerman that he had taken his brother's life to get him out of his trouble, he spied the weapon upon the window sill and gathered it up. In the meantime the wife had been giving the alarm, which was understood to have been a discovery of fire at the home. The whistle at the Talbot lumber mill was sounded, and in a short time a crowd had collected. Wesley Gullerman had no offer of resistance, and when Sheriff Neely arrived he was taken into custody and brought to the county jail. He was in a dazed condition upon arrival here. At the same time Prosecutor Bagby, Court Stenographer Wierick and Coroner Holland, with Dr. Chaney, appeared upon the scene and commenced their investigations.

BARBERS ADOPT EARLY CLOSING SCHEDULE.

At the meeting of the local Barbers' Union held Thursday evening, that organization unanimously adopted the early closing schedule suggested some time ago closing one hour earlier each evening, seven during the week and ten on Saturdays. This new schedule will become effective on the first of November.

STUDENT DROWNS.

Cincinnati, Oct. 21.—While employed in engineering work on the Government dam being constructed at Brent, Ky., Richard Phillips, 21, a co-operative student of the University of Cincinnati, was drowned Wednesday night. His body was recovered Thursday. Phillips it is believed, fell between two barges while trying to jump from one to the other. Phillips was the son of Mr. and Mrs. William Phillips of Fort Thomas, Ky.

EASTERN STAR MEETING.

The local chapter Eastern Star will hold its regular meeting at the Masonic Temple Friday evening at 7 o'clock. Seven candidates will be initiated.

Mr. C. S. Kirk leaves Saturday for St. Louis to attend the annual meeting of the National Bottlers' Association.

TO THE PUBLIC

I believe it below the dignity of the high office of County Judge of Mason county for candidates for that office to make unkind remarks about each other. I personally respect my opponent and all of the candidates on the Democratic tickets. I have my own fight to make and have not, nor will I, use anyone's name unkindly in making my race. This has always been my practice in former races.

As to any criticism of my tenure of office, I will merely say that I have done my best using all my efforts to serve the people honestly and faithfully. I have nothing to cover up as my office and the books of the county are open for inspection. I have the highest respect for all members of the present Fiscal Court and feel that they have done their best to serve the best interests of all.

SALLEE'S RETURN WILL BE A ROUSER

Game Between Higginsport and Coca Cola Team To Be Staged Sunday Three Fast Players in Lineup

There will be a home-coming for Harry Sallee, a member of the New York world championship team, at Higginsport, Sunday. Sallee will be there at that time, and negotiations are pending for permission for him to pitch in a game of baseball which will be played, the weather permitting.

Aside from Sallee, in the lineup of the port team Austin McHenry, who has been with the St. Louis Nationals, and finished the season with third ranking honors as a batter, and Chic McClellan, of Cincinnati, Ky., who has been with the Chicago White Sox team.

The opposing team will be the fast-going Coca Cola's, of Cincinnati, who have made such an enviable record during the season, with "Lefty" Hall in the box.

That this event will draw an enormous crowd goes without saying, and Manager Williams announces that he will make every preparation to care for the crowd.

NEW BOAT SERVICE.

A Mr. Cosgrove from Mayville, was in Augusta Friday, asking local merchants to sign a contract to haul freight from Cincinnati the charge to be 20 per cent. less than the freight rate on the C. & O. It is the intention to make the round trip daily between Cincinnati and Mayville, the boat carrying both passengers and freight. The steamer is scheduled to arrive at Augusta about 10 p. m., and arrangements have been made to store the freight that night in a building at Front and Upper streets. Practically every merchant in Augusta signed the agreement to let this packet haul their goods from Cincinnati, and we are told that Mayville and Ripley merchants did likewise. —Augusta Chronicle.

MASON SIGNS MORE THAN 75 PER CENT. OF TOBACCO CROP

More Than the Required Amount of Tobacco Is Signed in Mason County To Make Certain Success of Co-Operative Plan Here.

Those at the head of the Tobacco Co-operative Marketing Plan announced Thursday that Mason county had signed up to that day a total of 77 per cent. of the tobacco grown in this county thereby passing the figure required to make certain the "pool" in this county.

The committee in charge, however, announces that the campaign will not stop with the accomplishment of this requirement but meetings will be continued in every precinct and canvassers will continue their work in an effort to increase the amount signed-up to as large a figure as possible. It is the prediction of the committee in charge that Mason county will sign nearer one hundred per cent. than any other tobacco growing county in the whole district.

Messrs. Stanley F. Reed, James N. Kehoe and a number of the county committee left Friday morning for Lexington to attend a district meeting being held there and to report the fact that Mason county has reached the minimum. It is expected that they will return with glowing reports from other counties in the state.

MRS. T. M. RUSSELL WINS MIKE BROWN'S AUTOMOBILE

Mrs. Russell Holds Ticket No. 5052 and Wins Chevrolet Automobile Given Away By Local Merchant.

Mrs. Thomas M. Russell is the lucky party who wins the beautiful new Chevrolet automobile given away by Mike Brown, local merchant, tickets on which were given out with each dollar's purchase during the big sale just closed.

The drawing was held at the Washington theater on Thursday evening. Miss Virginia Watkins drew one ticket from a tub filled with stubs and that number was 5052. The lucky number was announced but there was no one in the audience who held the number. Friday morning Mrs. Russell examined the tickets she held on the automobile and discovered that she held the prize coupon. She immediately notified the Brown store and was presented with the beautiful new car.

CABINET MEETS TO CONSIDER THREATENED RAIL STRIKE

Hoover Plans Auto Transportation System and the Conservation of Gasoline Supply.

Washington, Oct. 21. — President Harding met with his Cabinet today to determine the next move of the federal government to avert the nationwide rail strike.

Direct intervention by the President appeared inevitable following failure of the Railway Labor Board yesterday to induce brotherhood chiefs to rescind the strike call.

The President, it was believed, will take one of two steps:

- 1: Summon brotherhood chiefs and railroad executives to the White House for a conference.
- 2: Appoint a special executive mediation committee.

Meanwhile plans for meeting the emergency if the walkout comes were being completed by government departments.

Herbert Hoover, secretary of commerce, indicated today that the first step by the government will be to press into service millions of motor trucks throughout the country.

With this transportation reservoir officials are confident enough essential commodities can be moved to prevent suffering.

"Ten years ago a railroad strike would have paralyzed the country within three days," said Hoover. "Now the country probably could exist for a month."

Hoover, in case of a strike, is making preparations to conserve the gasoline supply of the country.

The Old Folks Say

"A man can often change his mind when he can't change his shirt."—We changed our mind just a little bit this morning when we had an inspiration.

We brother Red Men are giving a Musical Show Thursday evening, October 20, as you all know, a tuneful comedy called "Microbes of Love," and from present indications, everybody and his brother will be there. The inspiration was "Why not have the drawing for the Chevrolet Touring Car take place on the stage during the play?" No sooner said than done, so, Grand Keeper of the Wigwam, Big Chief James Frost, gave us permission to have some one in the audience draw for the lucky coupon. The drawing will take place between the second and third acts.

The Chevrolet will be parked outside the Opera House, and if the holder of the lucky ticket is in the house, he may drive home in his own machine.

In the event that the ticket is not in the house, the lucky number will be advertised in all the local papers, and the car will await its owner, safe and sound in our store room.

Yours, to enjoy the show,

Mike Brown
